CLOSING

Don't Fence Me In (by Cole Porter)

Oh, give me land lots of land
Under starry skies above
Don't fence me in
Let me ride through the wide open
country that I love
Don't fence me in
Let me be by myself in the evening
breeze
Listen to the murmur of the
cottonwood trees
Send me off forever but I ask you
please
Don't fence me in

Just turn me loose let me straddle
my old saddle
Underneath the western skies on my
cayuse let me wander over yonder
Till I see the mountains rise

I want to ride to the ridge
Where the west commences
Gaze up at the moon till I lose my
senses
I can't look at hovels and
I can't stand fences
Don't fence me in.

We Shall Overcome, (lyrics of a traditional song)

We Shall Overcome, we shall overcome We shall overcome
someday.
Oh, deep in my heart, I do believe, We shall overcome someday.

We are not afraid, we are not afraid, We are not afraid
today. Oh, deep in my heart, I do believe, We shall
overcome someday.

We are not alone, we are not alone
We are not alone today
Oh, deep in my heart, I do believe, We are not alone
today. The truth will make us free, the truth will make
us free, The truth will make us free someday.

Oh, deep in my heart, I do believe, We shall overcome
someday.

We'll walk hand in hand, we'll walk hand in hand, We'll walk hand
in hand someday. Oh, deep in my heart, I do believe, We shall
overcome someday.
The Lord will see us through, the Lord will see us through, The Lord will see
us through someday.

Oh, deep in my heart, I do believe, We shall overcome someday.
Black and white together, Black and white together, Black and white
together someday.

Oh, deep in my heart, I do believe, We shall overcome someday. We shall
all be free, we shall all be free, We shall all be free someday.

Oh, deep in my heart, I do believe, We shall overcome someday.
